

**The Bloom and Grow Garden Society
Presents**

Many thanks to all the generous and dedicated individuals and businesses who have supported the Bloom & Grow Garden Society and Spring Fever in the Garden! After two years of canceled festivals due to the Covid pandemic, we are very pleased to announce that on April 2-3, 2022, we will be celebrating the 20th anniversary of Spring Fever in the Garden.

Whether you are a returning sponsor or considering becoming a sponsor, please know that your participation is important. It ensures that our largest fundraising event of the year will continue to be West Orange County's premier festival. Attendance topped 50,000 in 2019 and the proceeds from the event allowed our organization to give back to the community in so many ways. Sponsorship monies from the past two years were used for scholarships and support of community projects.

Our mission statement is "To stimulate a knowledge and love of gardening while promoting and sponsoring the protection and sustainability of native plants and wildlife; to promote and sponsor educational horticultural experiences to students of all ages and encourage civic plantings."

Your sponsorship, along with our presenting sponsor, Healthy West Orange, will allow us to finance the festival and, ultimately, use the proceeds and donations to forward our work in the West Orange Community. Your name will be used in all our promotional materials for the festival including the Spring Fever website, posts on the Spring Fever in the Garden Facebook and Instagram pages, newspaper ads and signboards.

As a community leader, please consider your level of support by reviewing the enclosed sponsorship opportunities page. A major level sponsorship will spotlight your name or organization within the West Orange community as we support save the monarch and pollinator initiatives, civic beautification projects, college scholarships in environmental and landscape horticulture and much more. To review our projects and grant awards to the community, go to: <https://www.bloomandgrow.club/community>.

We look forward to talking with you about your sponsorship.
